What is **Study-J?**

Study-J provides personalized online instruction for foreign students attending Japanese elementary, middle, and high schools. Students can learn Japanese and other school subjects over Skype.

No Worries!

I'm worried that my child is not keeping up with my child's school work...

I don't understand what's written on handouts from school...

Using your child's school textbooks, we will help your child study the content together in English. Easily clear up problems as they arise!

Using video chats, our bilingual teachers can explain documents such as school notices and the teacher-parent notebook in English.
